RPIE-WORKSHEET

2023 REAL PROPERTY INCOME AND EXPENSE WORKSHEET AND INSTRUCTIONS FOR THEATRES AND CONCERT HALLS

FILING DEADLINE: JUNE 3, 2024

This is NOT the Real Property Income and Expense (RPIE) form. You MUST file all RPIE forms electronically. This form is to be used for worksheet purposes only.

GENERAL INFORMATION

Owners of income-producing properties with an Actual Assessed Value of more than \$40,000 as stated on the 2024-2025 Tentative Assessment Roll are required to file Real Property Income and Expense statements ("RPIE") or a Claim of Exclusion annually with the Department of Finance (DOF). The department uses this and/or information from similar properties to estimate the market value of property for tax purposes.

Even if your income-producing property has an Actual Assessed Value of less than \$40,000, you may still want to provide information about your property electronically to assist us in providing a more accurate estimate of the market value.

Please note that this worksheet and instructions are for theaters and concert halls. These instructions do not apply to the following specialty properties types: hotels, adult care/nursing home facilities, gas station, car wash, and oil change facilities. These property types are covered in their own instructions that you can download from nyc.gov/rpie.

Who does not have to file an RPIE or Claim of Exclusion? Owners with:

- Properties that have an Actual Assessed Value of \$40,000 or less

- Tax Class 1 or Tax Class 2 properties with six or fewer dwelling units and no more than one commercial unit

To claim this exclusion you must still complete the RPIE-2023 (Parts I and IV). An RPIE is required for unsold sponsor-owned units if 10% or more of the units remain unsold.

If the property is rented to a commercial, non-exempt tenant, the filing requirement may be satisfied by the tenant or lessee filing an RPIE on behalf of the property.
- i.** The property is vacant or uninhabitable and has no existing leases. If there are any existing leases, the owner must file the RPIE.
- j.** “Vacant, non-income-producing land” applies to empty lots only.
- k.** The owner has not operated the property and is without knowledge of the income and expenses for the entire calendar or fiscal year of the reporting period.
